Notes:

1. Considering the present Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular dated May 5, 2020 read together with circulars dated April 8, 2020 and April 13, 2020 (collectively referred to as "MCA Circulars") permitted convening the Annual General Meeting ("AGM" / "Meeting") through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM"), without the physical presence of the members at a common venue. In accordance with the MCA Circulars, provisions of the Companies Act, 2013 ('the Act') and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), the AGM of the Company is being held through VC / OAVM. The deemed venue for the AGM shall be the Registered Office of the Company.
2. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("Act") setting out material facts concerning the business under Item No. 3 & 4 of the Notice is annexed hereto. The relevant details as required under Regulations 26(4) and 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, in respect of Directors seeking appointment/reappointment at the Annual General Meeting for Item No. 2, 3&4is furnished as annexure to the Notice.
3. Generally, a member entitled to attend and vote at the meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself and the proxy need not be a member of the Company. Since this AGM is being held through VC / OAVM pursuant to the MCA Circulars, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed hereto.
4. Since the AGM will be held through VC/ OAVM, the route map of the venue of the Meeting is not annexed hereto.
5. At the 31stAGM held on September 29, 2017 the members approved appointment of M/s R H Modi & Co., Chartered Accountants Firm (Firm Registration No.106486W) as Statutory Auditors of the Company to hold office from the conclusion of 31st AGM till the conclusion of the 36thAGM, subject to ratification of their appointment by Members at every AGM. The requirement to place the matter relating to appointment of auditors for ratification by Members at every AGM has been done away by the Companies (Amendment) Act, 2017 with effect from May 7, 2018. Accordingly, no resolution is being proposed for ratification of appointment of auditors at the 34thAGM.
6. As per Regulation 40 of SEBI Listing Regulations, as amended and as per SEBI in its press release dated December 03, 2018 had decided that securities of listed companies can be transferred only in dematerialized form with effect from April 01, 2019. In view of the above and to avail the benefits of dematerialization and ease portfolio management, Members are requested to consider dematerialize shares held by them in physical form.

7. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc. authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to info@corporate-couriers.com with a copy marked to evoting@nsdl.co.in
8. Pursuant to the provisions of Section 91 of the Companies Act, 2013, the Register of Members and Share Transfer books of the Company will remain closed from Thursday, the 24th day of September, 2020 to Wednesday, the 30th day of September, 2020. (both days inclusive).
9. The Members holding the shares in physical form may obtain the nomination form from the Company's Registrar & Share transfer agent- Link Intime India Pvt. Ltd. and are requested to consider converting their holdings to dematerialized form to eliminate all risks associated with physical shares and for ease of portfolio management. Members can contact the Company or Link Intime India Pvt. Ltd. for assistance in this regard.
10. Members desirous of getting any information in respect of the content of the annual report are requested to forward the queries to the Company at least 10 days prior to the annual general meeting so that the required information can be made available at the Company.
11. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or Link Intime India Pvt. Ltd., the details of such folios together with the share certificates for consolidating their holdings in one folio. A consolidated share certificate will be issued to such Members after making requisite changes.
12. In case of joint holders attending the AGM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote.
13. Pursuant to Rule 18(3) of the Companies (Management and Administration) Rules, 2014, the Members are requested to provide their e-mail id to the Company or Registrar and Share Transfer Agent in order to facilitate easy and faster dispatch of Notices of the general meetings and other communication by electronic mode from time to time.
14. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to the Company's Registrars and Transfer Agents, Link Intime India Pvt. Ltd. in case the shares are held by them in physical form.
15. Members are requested to note that, dividends if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline.

16. Members who hold shares in dematerialized form are requested to log in with their DP ID and Client ID numbers for easy identification of attendance at the meeting.
17. The Equity Shares of the Company are mandated for trading in the compulsory demat mode. The ISIN Number allotted for the Company's shares is INE871E01018.

2. MANAGEMENT ANALYSIS AND DISCUSSIONS:

Discussion on financial performance with respect to operational performance

During the year, your Company earned total revenues of Rs.12.00 lakhs compared with Rs. 60.50 lakhs during the previous year, reflecting a decline of 79% over the previous year. The Loss for the year was Rs. (0.14) lakhs. On account of small loss incurred during the year, no tax provision was required to be made. The Company has no borrowing and finance cost as also no depreciation cost. The reasons for decline in turnover and small loss were partly due to demerger of Real Estate Business and Engineering Services Business during the year and also due to the overall weakness in Infra Business.

3. PERFORMANCE REVIEW & FUTURE OUTLOOK:

- a) Due to the global Pandemic of Corona Virus, the Infra Business is facing headwinds in the current year.
- b) However, the company has been able to revive its logistics business in association with Dole Logistics Group and this business which resumed in June, 2020 is scaling up from month to month.

- c) The Company is also in talk to take over the Logistics Business of Dole Group and if this goes through then this Business has great potential to substantially improve the top line and the bottom line of the Company.

The Company is exposed to variety of risks such as credit risk, economy risk, interest rate risk, liquidity risk and cash management risk, among others. The Company has Enterprise Risk Management Framework which involves risk identification, risk assessment and risk mitigation planning for the Company. The Company's objectives and expectations may be forward looking within the meaning of applicable laws and regulations.

STRENGTHS:

The recent tie up with Dole Logistics group and likely takeover of Dole Logistics gives your company huge opportunity to grow in logistics business.

QUALITY:

Dole Logistics is in the process of designing a high quality portal and its infrastructure for logistics business. This effort is being headed by expert IT professionals. Your company will benefit substantially due to tie up with Dole Logistics.

OUTLOOK:

After a muted Q1 of current year due to the global pandemic of COVID 19, the volumes have started stepping up in Q2 for logistics business. The infra business is also like to resume operations from Q3 of current year.

OPPORTUNITIES AND THREATS:

OPPORTUNITIES:

The tie up with Dole Logistics and likely takeover of its business offers immense opportunities in the logistics business.

THREATS:

The threats are in relation to the economic slow-down, liquidity issues and any adverse government policies. However, since Courier and Cargo industry is one of the employment generators factor, the government policies are expected to be conducive and supportive.

RISKS AND CONCERNS:

The recent liquidity crunch and economic down turn are the risks and concerns being faced by the industry.

INTERNAL FINANCIAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The company has adequate systems for Internal Financial Control Systems. The Company has also appointed a CA firm as independent Internal Auditors.

4. DIVIDEND:

In view of the loss incurred for the year, and with a view to conserve resources, the Directors regret their inability to recommend any dividend for the year.

5. TRANSFER OF UNCLAIMED DIVIDEND TO INVESTOR EDUCATION AND PROTECTION FUND:

The requirement of transfer of unclaimed dividend to Investor Education and Protection Fund as per the provisions of Sec.125 (2) of the Companies Act, 2013, does not apply to the Company, for the year ended on March 31, 2020, since the Company has not declared and paid dividend last year.

6. TRANSFER TO RESERVES:

The Company has not transferred any amount to reserves.

7. MATERIAL CHANGES AND COMMITMENTS BETWEEN THE DATE OF THE BALANCE SHEET AND THE DATE OF REPORT:

There have been no material changes and commitments affecting the financial position of the Company which have occurred between the end of the Financial Year of the Company to which the Financial Statements relate and the date of the report, There was no change in the nature of business of the Company. The Company was able to successfully resume its logistics business from June 2020.

8. SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATOR OR COURTS:

There are no significant and material orders passed by the Regulators or courts or tribunals impacting the going concern status and company's operations in future. There was no change in the nature of business of the Company.

- During the year under review, there were no cases filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

9. DETAILS OF HOLDING / SUBSIDIARY / JOINT VENTURES / ASSOCIATE COMPANIES:

Your Company does not have any Subsidiary companies, associate companies and joint ventures.

10. **EXPLANATION OR COMMENTS ON QUALIFICATIONS, RESERVATIONS OR ADVERSE REMARKS MADE BY AUDITORS AND THE PRACTICING COMPANY SECRETARY IN THEIR REPORTS:**

Auditors Report

The Auditors' Report to the members on the Accounts of the Company for the financial year ended 31st March, 2020 does not contain any qualifications, reservations or adverse remarks. However the auditor has given below mentioned observation in his report:

Material Uncertainty related to Going Concern

We draw attention to Note No 4 of the statement regarding accumulated loss of the Company is Rs. 6,81,96,708 (Previous Year Rs. 6,81,82,582). However the Company financial result has been prepared on going concern basis. The appropriateness of the said basis is subject to the Company adhering to the continued availability of financial support from directors. We have relied on the representations made to us by the management.

Our opinion is not modified in respect of this matter

Emphasis of Matter

- a) We draw attention to Note No 5 of the statement regarding during the period the Company could not appoint whole time company secretary and Chief Financial Officer in terms of section 203 Companies Act, 2013. Hence, these statements have not been authenticated by a whole time company secretary and chief financial officer in terms of section 133 of the Companies Act, 2013 and related Rules.
- b) We draw attention to Note No 7 of the statement regarding during the current year and earlier year no provision for Goods & Service Tax liabilities has been made. This non compliance may result in tax, interest and penalties. We are unable to quantify the impact.
- c) We draw your attention to Note No 9 to the annual financial results which describes the fact that the pandemic Covid-19 would cause various economic and social disruption to the Company impacting trade receivables and carrying value of all other assets, consumer demand, commodity prices, personnel available for work and access to offices. The impact may be different from that estimated as at the approval of the financial results and the Company will continue to closely monitor any material changes to future economic conditions.

Our opinion is not modified in respect of this matter.

Secretarial Audit Report

Pursuant to Section 204 of the Companies Act, 2013, the Company had appointed, Mr. Gaurang Shah, Practicing Company Secretary as its Secretarial Auditor to conduct the Secretarial Audit of the Company for the F.Y. 2019-2020.  - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 - Not applicable as the Company has not brought back/ propose to buyback any of its securities during the financial year under review;

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards (SS – 1 & SS – 2) issued by the Institute of Company Secretaries of India approved by the Central Government, effective from July 1, 2015.
 - (ii) The SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 entered into by the Company with BSE Limited and National Stock Exchange of India Limited;
- (vi) As informed by the Company, no industry specific Acts, Rules are applicable to the Company.

We have not examined compliance by the Company with applicable financial laws, like direct and indirect tax laws, since the same have been subject to review by statutory financial audit and other designated professionals.

During the period under review and as per the explanations and representations made by the management and subject to clarifications given to me, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc., mentioned

above subject to the following qualification:

The Company failed to comply with the provisions of Regulation 6(1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Sec.204 of the Companies Act, 2013 pertaining to appointment of a qualified Company Secretary as the Compliance officer of the Company during the year under review. However, the Company had taken adequate steps by appointing Ms. Ruchita Jais, as Company Secretary and Compliance Officer of the Company w.e.f. 07.09.2020

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance. Decisions at the Board Meetings, as represented by the management were taken unanimously.

I further report that as represented by the Company and relied upon by me, there are reasonably adequate systems and processes commensurate with its size and operations, to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

As informed, the Company has reasonably responded to notices for demands, claims, penalties etc. levied by various statutory regulatory authorities and initiated actions for corrective measures, wherever necessary. There was no prosecution initiated and no fines paid (except for the additional fees paid by the Company for delay in filing of the necessary e-Forms with the Ministry of Corporate Affairs, wherever required) and the Company has to pay penalty amount of Rs. 1,07,380 to BSE Limited (BSE), for non-compliance with the provisions of Regulation 6(1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, pertaining to appointment of a qualified Company Secretary as the Compliance officer of the Company. The Company had taken adequate steps by appointing Ms. Ruchita Jais, as Company Secretary and Compliance Officer of the Company w.e.f. 07.09.2020 and complied with Regulation 6(1) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

I further report that during the audit period, there are no specific events/actions having a major bearing on the Company's affairs in pursuance of the laws, rules, regulations, guidelines, standards, etc, referred to above.

INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF CORPORATE COURIER AND CARGO LIMITED

Report on Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **CORPORATE COURIER AND CARGO LIMITED** (hereinafter referred to as “the Company”), which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the ‘Act’) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and loss, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing specified under sub-section (10) of section 143 of the Act (‘SAs’). Our responsibilities under those SAs are further described in the Auditor’s Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (‘ICAI’) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

We draw attention to note 1 to the standalone financial statement which indicates the Company’s accumulated loss is Rs. 6,81,96,708 as at the end of financial year March 31, 2020 (March 31, 2019: 6,81,82,582). The standalone financial statements of the Company have been prepared on a going concern basis for the reason stated in the note no 1.

Our opinion is not qualified in respect of this matter.

Emphasis of Matter

- a) We draw attention to Note No 17 to the standalone financial statement which describes the fact that the pandemic Covid-19 would cause various economic and social disruption to the Company impacting trade receivables and carrying value of all other assets, consumer demand, commodity prices, personnel available for work and access to offices. The impact may be different from that estimated as at the approval of the financial statement and the Company will continue to closely monitor any material changes to future economic conditions.
- b) We draw attention to Note No 19(b) to the standalone financial statement relating to non appointment of whole time Company Secretary and Chief Financial Officer as per Section 203 of the Companies Act, 2013. Therefore the standalone financial statement have not been authenticated by a whole time Company Secretary and Chief Financial Officer as per Section 134 of Companies Act, 2013.
- c) We draw attention to Note no. 22 to the standalone financial statement, relating to non-compliance with statutory requirement as reported in previous year, during the year also, the Company has not complied with the statutory requirements of complying with Goods & Service Tax provisions of various transactions undertaken. This non-compliance will result in tax, interest and penalties, amount not ascertained

Our opinion is not qualified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Except for the matters describe in the Material uncertainty related to going concern and Emphasis of matters, we have determined that there are no key audit matters to communicate in our report with respect to standalone Financial Statement.

Information Other than the standalone Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Director's report and Management Discussion & Analysis (MD&A) report, but does not include the standalone financial statements and our auditor's report thereon. The Director's report and MD&A report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in sub-section (5) of Section 134 of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under sub-section (3)(i) of section 143 of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements of in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor’s Report) Order, 2016 (“the Order”) issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the “**Annexure A**”, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by sub-section (3) of Section 143 of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

- (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
- (e) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of sub-section (2) of Section 164 of the Act.
- (f) The going concern matter described in under material uncertainty related to going concern paragraph above, in our opinion, may have an adverse effect on the functioning of the Company.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have pending litigations on its financial position in its standalone financial statements;
 - ii. The Company did not have any long term contracts including derivative contracts for which there were any materials foreseeable losses; and
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR’ REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Corporate Courier and Cargo Limited (“the Company”) as of 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects and adequate internal financial control system and the internal control system adopted by the Company has adequate risk management and assessment system, but in company's perspective the effectiveness of said system is less effective. Further an adequate internal financial control system were operating effectively as of March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

CORPORATE COURIERS AND CARGO LIMITED
NOTES FORMING PART OF ACCOUNTS FOR THE YEAR ENDED MARCH
31, 2020

1 Corporate Information

Corporate Couriers And Cargo Limited (“the Company”) is incorporated in the State of Maharashtra, India and is listed on BSE Limited. The registered office of the Company is situated at 19, Parsi Panchayat Road Andheri (East), Mumbai-400069. The Company is mainly engaged in the business of Civil construction, and Real Estate.

The Company accumulated loss of 6,81,96,708 (2019: 6,81,82,582) as at the end of financial year March 31, 2020. The financial statements have been prepared on a going concern basis on the basis of exploring available business opportunities and continued availability of financial support from directors. In the event that there is no further developments in future business or continued financial support, the going concern basis would be invalid and provision would have to be made for any loss on realisation on of the Company's assets and further costs, which might arise. The directors are satisfied that the Company has sufficient opportunity and financial support from directors will be available as and when required.

2 Significant Accounting Policies (to the extent applicable) -

Statement of Compliance

Standalone Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) Amendment Rules, 2016. The aforesaid financial statements have been approved by the Board of Directors in the meeting held on 31st July, 2020.

2.1. Basis of Preparation

These financial statements (hereinafter referred to as “financial statements”) have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the ‘Ind AS’) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (‘Act’) read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

The Balance Sheet, the Statement of Profit and Loss and the Statement of Changes in Equity are prepared and presented in the format prescribed in the Division III of Schedule III to the Act. The Statement of Cash Flows has been prepared and presented as per the requirements of IND AS 7 “Statement of Cash Flows”.

The Company has prepared these Financial Statements, which comprise the Balance Sheet as at March 31, 2020, the Statement of Profit and Loss, the Statements of Cash Flows and the Statement of Changes in Equity for the year ended March 31, 2020, and a summary of significant accounting policies and other explanatory information (together hereinafter referred to as “Financial Statements” or “Financial Statements”).

The Financial Statements have been prepared on the historical cost basis except for certain financial instruments and certain employee benefit assets are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Fair value is the price that would be received on sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of IND AS 17 and measurements that have some similarities to fair value but are not fair value, such as net realizable value in IND AS 2 or value in use in IND AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized within the fair value hierarchy into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest decimal when otherwise stated.

Adoption of new and amended standards and interpretations

IND AS 115 supersedes IND AS 11 Construction Contracts, IND AS 18 Revenue and related interpretations and it applies, with limited exceptions, to all revenue arising from contracts with customers. IND AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflect the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer

IND AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Company adopted IND AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1 April 2018 and there is no material effect or adjustments that arises from the adoption of IND AS 115. Consequently, no comparative for the 2018 financial year have been impacted or restated.

2.2. Current / non-current classification

Assets and liabilities have been classified into current and non-current based on their respective operating cycle.

2.3. 2.3 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the amount is received. Revenue is measured at the fair value of the consideration received or receivable taking into account contractually defined terms and excluding taxes collected on behalf of government.

Revenue is recognised when the Company satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service. A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

The amount of revenue recognised is based on the transaction price, which comprises the contractual price and adjusted for expected returns.

Revenue is measured at the fair value of the consideration received or receivable. Revenue is presented net of value added tax, rebates, discounts and sales returns.

Other Income

Other Income represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract.

2.4. Cash and Cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand, demand deposit and short-term deposits, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management process.

2.5. Income Taxes

2.5.1 Current Income Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities using the tax rates and tax laws that are in force at the reporting date.

Current income tax relating to items recognised outside the statement of profit and loss is recognised outside the statement of profit and loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company offsets current tax assets and current tax liabilities where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis, or to realize the assets and settle the liability simultaneously.

2.5.2 Deferred Tax

Deferred income tax is recognised using the balance sheet approach

Deferred tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred tax arises from the initial recognition of an asset or liability that effects neither accounting nor taxable profit or loss at the time

of transition.

Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Minimum Alternate Tax ('MAT') credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the Company recognises MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement". The Company reviews the "MAT Credit Entitlement" asset at each reporting date and reduces to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the MAT to be utilised.

2.6. Provisions and contingent liabilities

(i) A provision is recognized when

The Company has a present obligation (legal or constructive) as a result of a past event;

It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and

A reliable estimate can be made of the amount of the obligation.

(ii) A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably may not, require an outflow of resources. A contingent liability also arises in extreme cases where there is a probable liability that cannot be recognised because it cannot be measured reliably.

(iii) Where there is a possible obligation or a present obligation such that the likelihood of outflow of resources is remote, no provision or disclosure is made.

2.7. Earning per share

Basic earnings per share is calculated by dividing the net profit / (loss) for the year attributable to equity shareholders by weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit / (loss) for the

year attributable to equity shareholders and the weighted average numbers of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

2.8. Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity

Financial Assets

Initial Measurement

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognised immediately in the statement of profit and loss.

Subsequent measurement

Financial Assets

Financial assets are classified into the specified categories i.e. amortised cost, fair value through profit or loss (FVTPL) and fair value through other comprehensive income (FVTOCI). The classification depends on the Company's business model for managing the financial assets and the contractual terms of cash flows.

Equity investments

The Company subsequently measures all equity instruments at fair value. Where the Company's management has elected to present fair value gains and losses on equity instruments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss. Dividends from such investments are recognised in statement of profit and loss as other income when the company's right to receive payment is established.

Derecognition of financial assets

A financial asset is derecognised only when

(a) The Company has transferred the rights to receive cash flows from the asset or the rights have expired or

(b) The Company retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients in an arrangement. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The Company makes judgmental assessment for financial asset in default when contractual payments are past due.

The Company uses a provision matrix to calculate Expected Credit Losses (ECLs) for trade and other receivables. The provision rates are based on days past due for groupings of various customer segments that have similar loss patterns.

The provision matrix is initially based on the Company's historical observed default rates. The Company will calibrate the matrix to adjust historical credit loss experience with forward-looking information. At every reporting date, historical default rates are updated and changes in the forward-looking estimates are analysed.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Company's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future.

The Company considers a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows.

Financial liabilities and equity instruments

Debt or equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax

Financial Liabilities

Subsequent measurement

Financial liabilities measured at amortised cost:

Financial liability are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in the statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fee or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the statement of profit and loss.

Financial liabilities measured at fair value through profit or loss (FVTPL): Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Derivatives, including separated embedded derivatives are classified as held for trading unless they are designated as effective hedging instruments. Financial liabilities at fair value through profit or loss are carried in the financial statements at fair value with changes in fair value recognized in other income or finance costs in the statement of profit and loss.

Derecognition of financial liabilities

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

Determination of fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date.

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis and available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

3. Critical accounting judgement and estimates

The preparation of financial statements requires management to exercise judgment in applying the Company's accounting policies. It also requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures including disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, with revisions recognised in the period in which the estimates are revised and in any future periods affected

a. Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that have a low probability of crystallising or are very difficult to quantify reliably, are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. There can be no assurance regarding the final outcome of these legal proceedings.

b. Impairment testing

i. Judgment is also required in evaluating the likelihood of collection of customer debt after revenue has been recognised. This evaluation requires estimates to be made, including the level of provision to be made for amounts with uncertain recovery profiles. Provisions are based on historical trends in the percentage of debts which are not recovered, or on more detailed reviews of individually significant balances.

ii. Determining whether the carrying amount of these assets has any indication of impairment also requires judgment. If an indication of impairment is identified, further judgment is required to assess whether the carrying amount can be supported by the net present value of future cash flows forecast to be derived from the asset. This forecast involves cash flow projections and selecting the appropriate discount rate.

c. Tax

i. The Company's tax charge is the sum of the total current and deferred tax charges. The calculation of the Company's total tax charge necessarily involves a degree of estimation and judgment in respect of certain items whose tax treatment cannot be finally determined until resolution has been reached with the relevant tax authority or, as appropriate, through a formal legal process.

ii. Accruals for tax contingencies require management to make judgments and estimates in relation to tax audit issues and exposures.

iii. The recognition of deferred tax assets is based upon whether it is more likely than

not that sufficient and suitable taxable profits will be available in the future against which the reversal of temporary differences can be deducted. Where the temporary differences are related to losses, the availability of the losses to offset against forecast taxable profits is also considered. Recognition therefore involves judgment regarding the future financial performance of the particular legal entity or tax Company in which the deferred tax asset has been recognized.

d. Fair value measurement

The Company measures financial instruments at fair value on initial recognition and uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

e. Classification of assets and liabilities into current and non-current

The management classifies the assets and liabilities into current and non-current categories based on the operating cycle of the respective business / projects.

4. Cash on hand as at March 31, 2020, was physically verified by the Management and certificate in respect of such verification has been duly furnished to the Auditors.
5. The Outbreak of corona virus (COVID-19) pandemic and resulting lockdown enforced from March 23, 2020 have effected the Company's regular operations. The Company has made an assessment of its liability position for the next year and has assessed the carrying value of receivables and other current assets in developing the assumptions relating to the possible future impact on the operations, the Company as on the date of approval of these financial results has used internal and external information which are relevant in determining the expected future performance of the Company. Based on the evaluation of liquidity position and recoverability of assets and other such estimates, the Company expects the carrying amount of Assets will be recovered. The impact of Covid-19 on the Company's financial results may differ from that estimated as on the date of approval of these financial results.
6. **Note on Scheme on Arrangement & Amalgamation :** During the previous year, pursuant to scheme of demerger entered into between the company and Harish Textile Engineers Ltd and Mahesh Developers Ltd duly approved by the Hon. 11. Financial Instruments

i. Financial risk management

The Company has a Risk Management Committee established by its Board of Directors for overseeing the Risk Management Framework and developing and monitoring the Company's risk management policies. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Company's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Company.

The risk management policies aims to mitigate the following risks arising from the financial instruments:

- Credit risk; and
- Liquidity risk

a. Credit risk management:

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Company has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

Company's credit risk arises principally from the trade receivables, loans, investments in debt securities, cash & cash equivalents, derivatives and financial guarantees.

Trade receivables:

Customer credit risk is managed centrally by the Company and subject to established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits defined in accordance with the assessment.

Credit risk on receivables is also mitigated by securing the same against letters of credit and guarantees of reputed nationalised and private sector banks. Trade receivables consist of a large number of customers spread across diverse industries and geographical areas with no significant concentration of credit risk. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables.

The history of trade receivables shows a negligible allowance for bad and doubtful debts.

Ageing of trade receivables

Trade Receivables (unsecured)	As at 31st March, 2020	As at 31st March, 2019
Over Six Months	30,35,000	2,35,000
Less than Six Months	5,00,000	33,20,210
Total	35,35,000	35,55,210

b. Liquidity risk management

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. The Company requires funds both for short term operational needs as well as for long term capital expenditure growth projects. The Company generates sufficient cash flow for operations, which together with the available cash and cash equivalents and short term investments provide liquidity in the short-term and long-term. The Company has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements.

The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods and its non-derivative financial assets. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows.

To the extent that interest flows are floating rate, the undiscounted amount is derived from interest rate curves at the end of the reporting period. The contractual maturity is based on the earliest date on which the Company may be required to pay.
